Chapter I: Preliminary

1. Preamble

Reserve Bank is statutorily mandated to operate the credit system of the country to its advantage. In this endeavour, Reserve Bank encourages innovation in the financial systems, products and credit delivery methods while ensuring orderly growth, financial stability and protection of depositors' and borrowers' interest. Certain concerns had emerged around the methods of designing, delivering and servicing digital credit products, which if not mitigated, may impact the borrower's confidence in the digital lending ecosystem. The concerns primarily relate to unbridled engagement of third parties, mis-selling, breach of data privacy, unfair business conduct, charging of exorbitant interest rates, and unethical recovery practices. To address these concerns, pursuant to the recommendations made by the "Working Group on Digital Lending", the Reserve Bank has, from time to time, issued guidelines to its regulated entities on digital lending. These Directions consolidate the earlier instructions along with certain new measures for arrangements involving Lending Service Providers partnering with multiple regulated entities as mentioned under para 6, and for creation of a directory of digital lending apps as mentioned under para 17 of these Directions.

Accordingly, in exercise of powers conferred by sections 21, 35A and 56 of the Banking Regulation Act, 1949, sections 45JA, 45L and 45M of the Reserve Bank of India Act, 1934, sections 30A and 32 of the National Housing Bank Act, 1987, section 6 of the Factoring Regulation Act, 2011 and section 11 of the Credit Information Companies (Regulation) Act, 2005, the Reserve Bank of India being satisfied that it is necessary and expedient in the public interest to do so, hereby issues these Directions hereinafter specified.

2. Short title and commencement

- i. These Directions shall be called the Reserve Bank of India (Digital Lending) Directions, 2025.

- ii. These Directions shall come into force immediately except for para 6, which shall come into effect from November 1, 2025, and para 17, which shall come into effect from June 15, 2025.

3. **Applicability**

These Directions shall be applicable to all digital lending activities of the following entities, hereinafter referred to as a Regulated Entity (RE) and collectively as Regulated Entities (REs), as the context may require:

Chapter II: General Requirements for RE-LSP Arrangements

6. RE-LSP arrangements involving multiple lenders

Annex II: Illustrations

Note: Illustrations are provided for ease of understanding and are merely indicative and not exhaustive.

Illustration 1

Assume that as on April 1, 2024 the RE earmarks a portfolio of ₹40 crore (out of the total **sanctioned** loans) under a DLG arrangement (DLG set). This portfolio shall remain "frozen" for the purpose of the specific DLG arrangement - meaning that no loan assets can be added or removed from it, except through loan repayment/ write-off. The RE can have such multiple DLG sets.

The ceiling for DLG cover on such portfolio shall be fixed at ₹2 crore (5% of ₹40 crore), which shall get activated proportionately as and when the loans are **disbursed**.

Illustration 2

Assume that out of the above DLG set, loans amounting to ₹10 crore are disbursed immediately. Then as on April 1, 2024, the DLG cover available for the portfolio shall be ₹0.5 crore (5% of disbursed).

Subsequently, if loans of ₹10 crore are further disbursed on April 15, 2024, the DLG cover shall proportionately increase to ₹1 crore effective April 15, 2024.

(Refer table below also for summary of each case)

Case 1: As on June 30, 2024, loans worth ₹5 crore mature without any default. In this case, the outstanding portfolio in the books of the RE would be ₹15 crore and the DLG cover shall remain at ₹1 crore.

Case 2: Subsequently, there is a default of ₹2 crore during Q2-2024 and consequently the RE invokes the entire DLG (₹1 crore¹³). In this case, as of Sept 30, 2024 the outstanding portfolio in the books of the RE shall be ₹15 crore (*₹20 crore original portfolio less ₹5 crore loans matured without default*) but no headroom for DLG will be available

¹³ It has been assumed that till date zero principal/interest have been received towards these loans.

as the maximum permissible DLG cover of ₹1 crore (5% of disbursed) has been exhausted.

Case 3: Going further, let's assume that recovery worth ₹1 crore is made by the RE during October 2024 on the defaulted loans of ₹2 crore. In such a case, the amount of the outstanding portfolio in the books of the RE as on October 31, 2024 shall come down to ₹14 crore (*₹20 crore original portfolio less ₹5 crore loans matured without any default less ₹1 crore loans which were in default and recovered*). However, the recovery amount of ₹1 crore cannot be added to reinstate the DLG cover.

(figures in ₹ crore)
